I, Jessica Rae VELEZ, want to make the following statement under oath:

The 1st time I met Gigi he asked nick if he could have a party at the house so we said ok he came over w/ his wife Diedra + some people I didn't know he got drunk crashed his car + nick had to go get him I went to sleep + then Gigi left w/ 2 girls + some guy + him + Diedra had trouble she threw him out + felt bad + let him stay here back + forth whenever they'd fight b/c I felt bad for him. He would always joke about robbing peoples houses dressed like a niga + kill people w/ katannas + niga steers but I sampled one like a joke + id laugh + he would play it off + laugh too. After Diedra got pregnant he bought a shotgun + said he was gonna kill her + some gn he said gave him herpes + then laughed about it made a big joke of it so we never thought anything. We thought all his threats were empty + that was his sense of humor b/c he was always like that on my bday he said he wanted to get a cop suit + pull people over in his car + Rob them in the middle of nowhere + I always just assumed it was jokes. I met him once he came over to bring me a bag of bud but never saw him again. Gigi was always coming up w/ get rich quick schemes + saying lets rob ppl or scam people or rob drug dealers + be like "Robin Hood" in the "hood" + laugh it off + nick would always say no + thats the quickest way to get up + ur family killed. When I was around nick would always say no joking about is different doing it for asking to get killed. After Gigi married me we stopped talking until he text recently + I asked for a ride for a loan he brought up robbing drug dealers + was dead serious + nick + I text him saying hell no + that we have kids + they would kill us all + we cant mess w/ that shit + we havent talked since we would contact him only for ride or loan

Just to do it me + Nick never took him seriously. Just though he had a sick sense of humor.
